Inside cover

- 1) Leave at least 5/8" from the right or left edge of the mailer to the edge of the address box
- 2) Leave at least 3/4" from the bottom edge of the mailer to the bottom of the address area for postal barcoding
- 3) The top of the address box can be no more than 4" from the bottom of the mailer (which should be no problem with this template).
